

Notice Regarding Customer Information

House Bill (HB) 872 of the 87th Session (2021)

The Guadalupe-Blanco River Authority is committed to protecting our customer's right to privacy and ensuring the security of your personal information. With the recent passage of HB 872 by the Texas Legislature, utility customers are provided additional protection against disclosure of personal information from their customer account without their consent. If you would like to request that information relating to your account, including personal information in the account record and information relating to your utility usage or the amounts billed or collected, be available for disclosure, you have the right to request disclosure. If you do not request this, your personal information in your account will not be disclosed.
